The Florida Annual Conference is continually seeking persons who are willing to share their spiritual gifts and secular skills with the various Conference ministry teams, agencies and task forces. If you have members that are called to serve, possess spiritual gifts, or interest and expertise in specific areas of ministry that are open to sharing in this way, please make that known by completing the information on page 2. A list of the various conference agencies is provided for your information. Even if you do not see an agency listed that appears to "match up" with a persons gifts, skills or area/s of interest, please send their name in anyway, making them known to the District Committee on Lay Leadership (Nominations) for consideration.

**If there are members within your congregation that possess Spiritual Gifts and interest to serve in one of these areas, please list them on page 2. Remember to be inclusive of all age / ethnic groups.
Be sure to include a short description of the Spiritual Gifts that you feel this candidate brings to the position for which you are making the nomination.**
