

**East Central District  
2009 Community Church Conference  
Meeting Agenda / Cover Sheet**

Directions: Fill out this page and copy it as the cover sheet for the information packets\* to be distributed to the members of your congregation attending this conference. Each of the three to eight congregations attending the gathering is responsible for bringing its own packets.

Example: If Church A is attending this gathering along with Churches B, C, D, E, and F, Church A prepares packets only for its own members. Upon arriving at the host church site, members of Church A sign the attendance sheet for their own church, pick up their church's packet and members of the other churches use the same routine.

**The Methodist Way  
Sharing Our Experiences of Transformational Grace**

**Church Conference**

**Closing Communion**

\* In addition to this Cover Sheet Page and the "Voting Matters" Agenda, the individual church "information packet" for church leaders will consist of one or more sheets containing information on the following issues which require a vote:

**First**, members who are recommended for removal by Church Conference Action (This may include three lists consisting of members being added for the first time, members who were listed last year, and members listed for two years and eligible for removal. The first two lists are for information and the last list for action.)

**Second**, pastor's compensation package that is recommended by the Staff/Parish Relations Committee with the concurrence of the Church Council. Please list on the "Voting Matters" Agenda page. *(Do not copy your RUAH Data Entry Form for distribution. This is to avoid publishing information such as the Pastor's Social Security number which appears on that form.)*

**Third**, list of nominations from the Lay Leadership Committee with all church officers and committee members elected by this body (It need not include officers elected by other groups within the church, such as Sunday School Classes, UMW, UMM, etc.)

**Fourth**, recommendations for Candidacy or continuation of Candidacy for Ministry

**Fifth**, certification or continuation of Certification for Lay Speaker
